Chief, Records Management Staff

Weekly Report - Week Ending 23 April 1958

1. Contributions

a. Tangible

- (1) The Records Center received 54 cu. ft. of inactive records from five Offices. One-hundred and twenty-three cu. ft. of inactive records were destroyed by the Center. This was 53 cu. ft. more than the weekly average since 1 January.
- (2) Completed eight new and revised forms.
- (3) Completed a subject-numeric filing system in the Special Projects Branch, OSI. This system provides a method of terminating files and already one cu. ft. of inactive records has been identified for retirement.
- (4) Completed Records Control Schedules for Operations Support Faculty and the Orientations and Briefing Officer of OTR.

b. Intangible

- (1) Recommended to the Building Planning Committee an increase in the size of secured areas for better utilization of shelf filing equipment.
- (2) Completed the evaluation of an Employee Suggestion and recommended its adoption for savings of \$126 in costs for printing the Security Check Sheet.

2. Assignments - Active

a. Audit of Records Control Schedules.

- (1) OTR - See 1a (4) above. Conversion of a secured area for central storage of OTR materials is also under way.
- (2) Office of the DD/S

b. Installation of Filing Systems

- (1) Office of Personnel Subject-Numeric Files - Installation in D/Pers. 60% complete.

- b. I am pleased with action being taken by personnel of OCR to improve their VM operations through better selection and scheduling of deposits.
- c. We are exploring several possibilities for using a new type of open shelving developed by the Diebold Corp. Called Add-A-Shelf, the equipment can be assembled and disassembled by office workers. Mr. [REDACTED] of the Building Planning Committee was particularly impressed with its potentiality.
